EASY SCHOOL OF LANGUAGES

Easy School of Languages, Valletta - Malta has been running training courses for the past 18 years and school professionals from all over Europe have flown to this beautiful island to have a unique learning experience, benefitting from European Funding.

We have a special commitment to working with teachers and staff working in education from various countries and different backgrounds to help them improve their language skills and the quality of English language teaching.

The teachers and educational staff we train become amongst the most able, creative and authoritative within their profession. Our Training Courses are a hallmark of excellence and outstanding professionalism.

All the teacher trainers at Easy School of Languages are highly qualified in their field and have many years of experience as teachers and teacher trainers. They all possess internationally recognised qualifications including Cambridge CELTA and DELTA, Trinity Dip.TESOL and Cert.TESOL, B.A., B.Ed and M.A qualifications.

Besides providing training, our teacher trainers are very keen on their own continuing professional development and regularly attend in-service training sessions, international and local conferences, seminars and workshops.

CREATIVITY AND MOTIVATION IN THE CLASSROOM WITH TEACHER LANGUAGE DEVELOPMENT

Do you feel that you need fresh and creative ideas to stimulate and motivate your learners? Do you feel that your course book is sometimes dull and needs bringing to life? At the same time, do you feel that your own spoken English is getting a bit rusty and you would like to reactivate it? Would you like to learn new 'in' words and expressions in English, everyday idioms and a host of other areas to bring your current English up-to- date? If your answer to these questions is 'Yes!', then come and join us!

Who is the course for?

Teachers of English working with secondary school students or adult learners. Although materials and course content are in English, nearly all the ideas and techniques are easily transferable to the teaching of other foreign languages and the course is therefore also suitable for teachers of other foreign languages. Participants need a minimum English language level of B2 (Upper Intermediate).

ENGLISH LANGUAGE DEVELOPMENT AND AN INTRODUCTION TO CLIL METHODOLOGY FOR PRIMARY SCHOOL TEACHERS

Course summary

This course is aimed at non-native language teachers or teachers of other subjects, working in **primary schools**, who have just started using CLIL (Content and Language Integrated Learning) or intend to implement this approach in their classroom. CLIL is used in schools to teach subjects such as general science, art and maths, using a foreign language. Whether it is the language teacher teaching another subject in a foreign language or the subject teacher using a foreign language to teach content, the outcome will be the integrated learning of both content and language.

This course will help primary school teachers build their confidence to use English in their classroom as well as provide them with the basic principles of CLIL methodology and practical ideas that can be applied to their CLIL lessons.

Course requirements

Teachers will normally have a level of spoken English equivalent to **A2 or higher** (Pre-Intermediate or higher).

Applicant must be a **primary school teacher**.

Course summary

Over 50 percent of teachers worldwide are not digital natives and many work in schools that are not equipped with state-of-the-art technology. However, technology is an integral part of our students' lives and today's lessons need to reflect this. This course aims to make technology accessible for all teachers no matter what their previous experience by covering the latest developments in e-learning and exploiting the potential of students' own devices as learning tools. Through practical, hands-on sessions you will learn how to create interactive lessons and digital content using basic online tools and apps that can be used in a primary or secondary school environment. Students will document their progress throughout the course by posting updates in the form of videos, blogs etc on social media.

Course requirements

Teachers attending this course must have a minimum level of **A2** (Strong Pre-Intermediate or higher).

ERASMUS+ PROJECT DESIGN AND MANAGEMENT

Course summary

This course aims to provide a broad knowledge of the Erasmus + program related to Key Actions 1 and Key Action 2 and allow schools to develop the skills necessary to undertake, assess, and manage project actions. A particular focus will be dedicated to the new Erasmus+ Accreditation. The course trainers have around 20-year experience in European project management and planning, and they planned lessons and materials to transfer their know-how and develop participant skills.

The modules will cover all the needs of the project cycle from developing the idea, finding partners, designing, and developing the concept, managing, assessing, and reporting. Step by step, you will be guided to create your international project, and, thanks to the five extra hours of distance learning assistance, you will be supported in setting up your project proposal.
